Failure  
How did I never see it before  
And I'm back again begging for more  
Before I realized that you would be my demise  
I despise you as if that's a  
Fucking surprise to you

Your social ladders failing down  
And your the talk of the fucking town  
I would have done anything for you  
I took a look into the real you  
And now I never  
Wanna see your fucking face  
Fuck you

Was there ever a choice  
I'll never surrender to these  
Feelings I have rendered  
You've Got A Major  
In head fuck and you aint afraid to use it  
Your loose this  
Motherfucker  
Your done
