Clap, prise 1, vision panoramique  
[Clic, take one, panoramic vision]  
Une camera avance gros plan sur Dominique  
[A camera advances close-up on Dominique]  
Seule devant la glace elle osculte son corps  
[Alone in front of the mirror, she explores her body]  
Puis crie machinalement encore quelques efforts  
[Then whispers to herself: a little more effort]  
Tous les regimes sur elle furent teste  
[All the diets were tested on her]  
Toutes les tentatives ont ete des echecs complets  
[All the time it was a complete failure]  
Mais elle persévère et pour plaire a son homme  
[But she perseveres and to please her man]  
Dominique a decide de suivre la norme  
[Dominique has decided to follow the norms]  
Elle emmagazine, des magazines  
[She collects magazines]  
Dans lesquels elle pensent trouver le repos ultime  
[In which she hopes to find the ultimate rest]  
Maso, a l'assaut de ses formes rondettes  
[Maso(chistic), to the assault of the round forms of her  
body]

Chorus:  
Elle etait occupee a couper du pecu  
[She was busy, cutting...]  
Car on lui piquait les fesses, une victime de la mode  
[Cause they were stingin her ass, Fashion victim]  
Tel est son nom de code  
[Was her code name]  
Victime de la mode, tel est son nom de code  
[Fashion victim, was her code name]

Lumiere, scene 2, l'as de trefle lui propose  
[Lights, scene two, the ace of spades suggests her]  
Une toute nouvelle donnee en voici la cause  
[A brand new data, here is the cause]  
Tellement d'efforts mais pour quel resultats  
[So much effort, but for what results]

Elle perd de l'oseille au lieu de perdre du poids  
[She loses money instead of losing weight]  
Dominique, replique, et tres vite m'explique  
[Dominique responds, and quickly explains]  
Qu'elle veut etre la replique d'une creature de clip  
[That she wants to be the replica of a (music)video  
creature]  
Ainsi font font font les petites filles coquettes  
[That's how it goes with pretty girls]  
Elle suivent un modele qui leur fait perdre la tete  
[They follow a model that makes them lose their mind]  
Comme London, Washington, Kingston, Sharengton ou  
Carcasonne  
[Like London, Washington, Kingston, Sharengton, or  
Carcasonne]  
Quand le Telephone sonne elle nous reponds sans  
cesse  
[When the phone rings, she constantly tells us that]

Chorus

Donc en guise de conclusion  
[So, in concluding]  
A l'analyse logique de cette situation  
[The logic analysis of this situation]  
Le regime, le jogging, la liposuccion  
[Dieting, Jogging, and liposuccion]  
Sont a tester mais il faut faire attention  
[Are to be tried but with care]  
Esperont que vous aurez compris  
[Let's hope you'll understand]  
Les bases tres claires de ce code de deontologie  
[The clear basis of this code of ethic theories]  
Prendre ou perdre quelques kilos  
[Gaining or losing some pounds]  
L'essentiel est d'etre vraiment bien dans sa peau  
[The important thing is to feel good in your body]  
Ma tacte au tic attaque toute ethique  
[My tactic attacks every ethic]  
Avec tact Dominique pas de panique  
[With tact, Dominique, don't panic]  
Ecoute bien ce funky beat  
[Listen carefully to this funky beat]  
La quete de l'image la laisse dans le stress  
[The quest for image leave her in stress]

Chorus

Jimmy Jay... (scratches...)
