You bite your lip  
You keep pretending that  
Your made out of stone  
You never let it show  
But everyone knows  
Girls can make you cry  
You find it hard  
To open up so you walk away  
It don't matter where you go  
'Cos everybody knows  
Girls can make you cry

Don't try  
To make me feel  
I should be weaker  
You'll find  
It's you that's wrapped  
Around my finger  
'Cos deep inside  
Girls can make you cry

You act so tough  
You like to think  
You're indestructible  
But it only takes one blow  
Everybody knows  
Girls can make you cry  
Deep inside  
You got emotions that  
Are running wild  
But it's out of your control  
And everybody knows  
Girls can make you cry

So don't try  
To make me feel  
I should be weaker  
You'll find  
It's you that's wrapped  
Around my finger  
'Cos deep inside

Girls can make you cry

Even when you're hurting  
I wonder why you  
Just act like every other guy  
But I'm not joking  
'Cos i know  
Girls can make you cry

So don't try  
To make me feel  
I should be weaker  
You'll find  
It's you that's wrapped  
Around my finger  
You can't deny  
Don't try to fight  
'Cos deep inside  
Girls can make you cry
