On the helm of a false entity
The faithful standing firmly
Betrayal of the worthy
Patrons of demoralization
Disregarding justice
Corrupting minds of the innocent
Society bows to the throne
Unaware of what the siren beholds
Fools suffer
Horizons of chaos
The solstice annihilation
This break of daylight is their last for all eternity
A sacred blood will spill
She'll bask in their ashes
A sacred blood will spill
She'll bask in their scorching ashes
On the helm of a false entity
The faithful standing firmly
Betrayal of the worthy
Patrons of demoralization
Disregarding justice
Corrupting minds of the innocent
Society bows to the throne
Unaware of what the siren beholds
Fools suffer
Bringer of light
Bringer of hate
Bringer of faith
Bringer of doom
Bow down to your God
Reaper of your soul
Look into her eyes
See the white light
Hand upon his head
Look up at your queen
Never again
Hand upon his head
Look up at your queen
Never again
Try and take her throne
Now she'll take your life

The solstice annihilation
This break of dalight is their last for all eternity
A sacred blood will spill
She'll bask in their ashes
A sacred blood will spill
She'll bask in their scorching ashes
