Bring forth the commencing days
An infernal saurian nemesis appears
The keepers of earth
Inferior minions of draconian descent
Enforcing rules of the ancient covenant
Blazing orbs of the sun
Beating on a helpless earth
The serpentine order shall no longer hide
The dimensional door brings the gods to their side
Warm blooded sacrifice to appease the thirst of the
creatures who've hidden for so long
A servant of the omni dimensional
Tall and strange blood thirsty sentinels
Sent to possess the hybrid creation
Dimensional domination
Keepers of the doorway between worlds
Patrons of destruction
Breeders of malevolence
Sorcerers of possession
