A vile adversary approaches with haste
The immense conqueror hides the sun
Final alignment is upon us, opening the dimensional
door
Planetary interconnection releases the inexplicable
force
A dark energy awaits beyond the portal in the celestial
formation
The distant rumble of a cosmic hunger for mortal soul
Eternal transcendence denied
Solar winds from another world breathe chaos to a
ravaged planet
A cosmic rebirth
Midst the smoke of contamination and miscalculation
The celestial ones; ageless, free of physical bounds,
infinite energetic control
"I am the suppressed darkness inside of you"
The original keepers of time
Perimeters of consciousness
Imbeciles beg for salvation
No-one to answer their prayers
Pathetic germs accept demise
The manifest has failed
The cosmic force destroyed the barrier of realms
Infinite dimensions cross paths to re-create reality
