Confident with your back to the audience...  
Tremolo strings begin with your gesturing wrist.  
Start the orchestra slow with an elegant air,  
Then a circular sweep crescendoing swell...  
Leo Slatkin, Dohnányi, Previn, DePaur.

Your arms are calling out,  
They wave like a swarm of sound.  
You pull the sound from scores of notes-  
You step the stage and take control.

You're conducting Verese in a moment of silence.  
Your body directs a pulse of wind.  
Von Karajan, Hampton, Menuhin, Levine

Your arms are calling out,  
They wave like a swarm of sound.  
You pull the sound from scores of notes-  
You step the stage and take control.

Those arms are calling out,  
They wave like a swarm of sound.  
You pull the sound from scores of notes-  
You step the stage and take control.

Control.
