Intro:

I need a mic check not a gun
Cause this battle's just begun
Through the record players
I say forget the haters

Verse:

Let me take you back to the beginning of time
Before the pen met paper the rhythm the rhyme
Growing up I never had many friends
No jock with the babes and Mercedes Benz

High school I wish I never was there
Guitar on back let the cool kids stare like
Out here just living a dream
Another bench warmer left off of the team

Pre Chorus:

You can't get in my way

Chorus:

I need a mic check not a gun
Cause this battle's just begun (Oh Oh Oh Oh Oh)
Through the record players (Oh Oh Oh Oh Oh)
I say forget the haters

We're gonna make that needle drop
We're gonna blow these speakers up (Oh Oh Oh Oh Oh)
I thought I told you that we don't stop
I thought I told you that we don't stop

Verse 2:

Blah blah blah how does that sound?
Sick of hearing clever jokes in the background
Goin' "Crazy" like Cee Lo Green, so
"Forget You" if you know what I mean

They got a CD I got a cassette
They're watching DVD's I rock a VHS, yes
Play till' got the fortune and fame, and
When I'm all done they're gonna know my name

Pre Chorus:
You can't get in my way

Chorus:
I need a mic check not a gun
Cause this battle's just begun (Oh Oh Oh Oh Oh)
Through the record players (Oh Oh Oh Oh Oh)
I say forget the haters

We're gonna make that needle drop
I wanna blow these speakers up (Oh Oh Oh Oh Oh)
I thought I told you that we don't stop
I thought I told you that we don't stop

Na Na Na Na (Ya Ya Ya Ya)
Na Na Na Na (Ya Ya Ya Ya)
Na Na Na Na (Ya Ya Oh Oh)

Bridge:
Now I'm finding my way
Through the words that you say
What you say ain't gonna bring me down
Whatcha gonna do

Breakdown:
I need a mic check not a gun
Cause this battle's just begun
Through the record players
I say forget the haters

Chorus:
We're gonna make that needle drop
We're gonna blow these speakers up (Oh Oh Oh Oh Oh)
Thought I told you that we don't stop
Thought I told you that we don't stop

Na Na Na Na (Ya Ya Ya Ya)
Na Na Na Na (Ya Ya Ya Ya)
Na Na Na Na (Ya Ya Oh Oh)

We're gonna make that needle drop
We're gonna blow our speakers up
Thought I told you that we don't stop
Thought I told you that we don't stop
