Verse:

Castaway from the everyday storm
Lift all your lines up, don't drag your anchors no more
Don't sit alone on the shores of life just, take my hand
Gentle breezes come and free us tonight

Pre:

This time I find, I'm driftin' away
Driftin', trippin' my troubles away

Chorus:

Holiday, Holi- Holiday
Holiday, Holi- Holiday
And if you're going theres no reason to stay
Take me, with you with you, ay, ay, ay, ay, ay

Verse 2:

Holiday, come and jam it with me
Sail away as we sway to the same melody
Make a toast to the simple life just, raise your hands
Gentle breezes come and free us tonight

Pre:

This time I find, I'm driftin' away
Driftin', trippin' my troubles away

Chorus:

Holiday, Holi- Holiday
Holiday, Holi- Holiday
And if you're going theres no reason to stay
Take me, with you with you, ay, ay, ay, ay, ay

Rap:

Bags packed gone away on a holiday
The good life never leaving it I wanna stay
Sun burning up a hundred degrees
Heaven is high water when you're feelin' the breeze
Rockin' steady, I'm ready, we're gettin' it on
Party Friday night till' the Sunday morn'
And I'm feeling ambitious and takin' damn pictures
Baby come closer, you wanna get with this

Breakdown:

Holiday, Holi- Holiday (We're on a holiday yeah)

Holiday, Holi- Holiday (Everyday is a holiday yeah)

Holiday, Holi- Holiday

Take me, with you with you, ay, ay, ay, ay, ay
