Na Na Na Na Na Na Na
Na Na Na Na Na Na Na
Na Na Na Na Na Na Na
Whoa, Oh

We're comin' in hot on your stereo
We party rock like LMFA-O
151 we spit fire and flow
Let it go on, and on

We're lit like a fuse and ready to blow
As we keep on burning, keep on burning
Past in the wind, born to be wild
On the fast track and we ain't lookin' back again

CHORUS:

Life goes on and we sing our song
Never look back, never look back
Never look back to what went wrong

Life goes on and we sing our song
Never look back, never look back
Never look back to what went wrong

So drop the beat, let the record spin
This night's on repeat, Charlie's "time to win"
Don't know where I'm from, don't know where I've been
You can't hold me down, you can't hold me down

We're lit like a fuse and ready to blow
As we keep on burning, keep on burning
Past in the wind, born to be wild
On the fast track and we ain't lookin' back again

CHORUS:

Life goes on and we sing our song
Never look back, never look back
Never look back to what went wrong

Life goes on and we sing our song
Never look back, never look back
Never look back to what went wrong

Full speed ahead no slowing down
No matter what went wrong
Let it go on, and on

Na Na Na Na Na Na Na
Na Na Na Na Na Na Na
Na Na Na Na Na Na Na
Na Na Na Na Na Na Na

CHORUS:

Life goes on and we sing our song
Never look back, never look back
Never look back to what went wrong

Life goes on and we sing our song
Never look back, never look back
Never look back to what went wrong

Never look back
