Da, Da, Da Dadada dada Da Da

ROLLBACK!

Tuesday night, nowhere to be so why not come chill
with me; I'll take you right around the town
Look down at my watch and I see, almost exactly 10:30,
March 21st this shit's going down
Night of havoc, night of panic, tick tock I broke the lock,
there's not a lot of time so let's go.
No time to wait, it's getting late, shimmy on down,
shimmy on down.

Get, Get, Get outta here, Get, Get, Get outta here

ROLLBACK!

Shopping carts, broken hearts, take me back right to
the start when everything was spick and span.
Toys for kids screw that, grab a shirt, a matching hat,
G.I Joe and X men
"Hands up you're getting robbed" I yell out, then the
manager she says "please don't shoot me"
We'll be on our way, thank you have a great day, and
oh yeah "Clean up on isle 3" Oh yeah!

Get, Get, Get outta here, Get, Get, Get outta here

ROLLBACK!

So many ways they could have tried to stop us but we
turned it onto them.
A down beat, low key shitty weeknight, turned into one
that they'll never forget!

Well I was stocking up for Christmas Eve, Putting lights
up on the tree
Joke to Drew; tie my shoes, now I got Christmas blues
Gun to the head, managers dead, nope she's hiding by
Barbie and Ken
Smells like ash, broken glass, toys lit up with burning
gas!
Cowering behind a sofa bed, left Julie back in isle 10
I hope she made it out okay, either way I'm on my way
Screw, being a hero here, the safety of my car is near

Unless that bullet hits me dead, put that thing in sixth gear!

We're still getting out of here, out of here

ROLLBACK!
