Yeah, yeah  
Yeah, yeah, yeah

I found a love  
I found a love  
I found a love  
That I need, whoa, yeah

I found a kiss  
I just wanna tell you  
That I can't resist  
I found a love  
That I need, whoa, yeah

And I wanna call her now  
Yeah, yeah  
Yeah, yeah, yeah

Wait a minute  
One thing I wanna say right here  
The way that woman walk  
Just sets my little soul on fire

The way she talk  
She's my heart desire  
And, oh, if she leave me  
I think that I would die

And sometime I call her  
At the midnight hour  
Yeah, yeah, ohh  
Don't leave me, baby  
Yeah, yeah, hey, hey  
Yeah, yeah, yeah
