You're so fine, you're so fine
You're mine, you're mine
I walk and I talk about you

I love you, I love you
I need you, I need you
I walk and I talk about you

There's nothing in the world
As sweet as your kiss
So fine, so fine

Every time we meet
My heart skips a beat
You're my first cup of coffee
My last drop of cream

You're so fine, you're so fine
You're mine, you're mine
I walk and I talk about you

You're so fine, you're so fine
You're mine, you're mine
I walk and I talk about you
