I want candy, bubble gum and taffy  
Skip to the sweet shop with my sweetheart Sandy  
Got my pennies saved so I'm her sugar daddy  
I'm her Hugh Cronyn, and she's my Jessica Tandy, I  
want candy

Put it in a pile  
Split it with my bitty  
Fifty/fifty, down the the line  
Kind of like close encounters of the cavity kind

I'm talkin' lickerish, kisses  
Talkin' chocolate dile smiles  
I want candy  
I gotta sugar tooth  
Put on your shanghai, Sandy  
'Cause I wanna knock boots

Lick the peppermint stick  
'Til the lollipop droops  
Gum drops that don't stop  
'Til the litlot's loose  
Candy, candy

I need candy  
Bubble gum and taffy  
Get in my way punk  
You're gonna get your ass beat  
Nasty  
Do it 'til your daddy sees  
Embarrass your own family  
Just because you came between a kid and his candy  
I need candy  
Any kind'll do  
Don't care if it's nutritious or FDA approved  
It's gonna make me spazz like bobcats on booze  
A hyperactive juice that only I can produce

That fuels a giant drill, bore straight into hell  
Releasin' ancient demons from a sleep forever spell  
So they can walk upon the earth, and get resituated  
And hawk the diet pills MC Pee Pants have created

I need candy, want some candy  
Eat candy 'til I'm dead  
I'll kill you for some candy  
Give me candy, candy head

Where you keepin' all the candy  
Who made you candy king  
If you don't give me some candy  
I will make the ladies sing

Mess up the mix, mix up the mess  
Come on down yo, here's the address  
Said six, one-two Wharf Avenue  
Right next to gentleman's club
