Ooh, baby
Let me pour the wine, yeah
Ooh, candlelight to help us dine

No matter what I offer
Cause filling your cup
Doesn't soften you up
So here's my final offer
I'll come out and say it, girl
I don't wanna play

(CHORUS)
Baby, can you stay the night
And love me in the morning light
Stay with me to greet the day
Loving every hour away
I've got things to do
Things to try on you
And you like it too
So, why don't you stay the night

Ooh, anything can spark romance, yeah
Ooh, didn't mean to take a chance
No, I didn't mean
And now it's your turn

Some softly playing music
The singer is saying
What I want you to say
So, listen to the music
And then you will know
Can't you feel it growing

(CHORUS)

So here's my final offer
I'll come out and say it, girl
I don't want to play

Baby, can you stay the night
And love me in the morning light
Baby, can you stay the night

Cause, baby, it'll be all right

Yeah (baby) baby (baby)

Sweet baby (baby)

Baby, can you stay the night

Baby, sweet baby

(Baby, can you stay the night)

Baby, can you stay the night

Baby, can you stay the night

Baby, baby, stay the night

Baby. can you stay the night...
