Cause this won't be
The last time our eyes fail to meet
When the tides change
And our lives rearrange
Will blame be cast to sea?

I was distracted
By glints on the surface of life
Confused by signal fires
And lost desires
Why is love so wrong for me?

After All
The story's told
We'll all look like villains in the end
The sides are drawn
Will faith in these songs
Keep our hearts beating?

You were the one who
Made me draw the line (the ink fills holes that you
won't)
But with my heart in your hands
And my head on the line
Will you just make up your mind?

After All
The story's told
We'll all look like villains in the end
The sides are drawn
Will faith in these songs
Keep our hearts beating?

By your estimation
I guess I still fall short
But my mistakes will live on in song
Until our veins run dry

After All
The story's told
We'll all look like villains in the end
The sides are drawn

Will faith in these songs
Keep our hearts beating?
