So close your eyes  
Just breathe  
This won't bring you to your knees

Just poise the pen  
On the page  
Let it write what you can't say

So I'll stand  
Alone but no ones hand  
Comes close to grasping mine  
But I  
I'll take my heartache and I'll turn it to gold  
Love can't be, the only way to make me whole

I'm more failure  
Than I am savior  
And I hope my past won't tell my futures story

This is how it's got to be  
Cause poetic words don't make sense to me  
And the epitaph that you will read  
Won't say I never dreamed

So I'll stand  
Alone but no ones hand  
Comes close to grasping mine  
But I  
I'll take my heartache and I'll turn it to gold  
Love can't be, the only way to make me whole

Life is no  
No movie  
But I will make it my own

So I'll stand  
Alone but no ones hand  
Comes close to grasping mine  
But I  
I'll take my heartache and I'll turn it to gold  
Love can't be, the only way to make me whole
