I wanna feel alive like the streets of the city
I wanna run run run til my lungs cave in
I'm gonna keep my head up & make believe
Make believe that I'm the only
The only one underneath this sun
Hey kid you're only young once so do what you love

[Chorus]

Say anything cuz I'm gonna forget
You're way of thinking always putting me down
But I'm always wrong these days
I'm gonna run run run
Don't wanna hear wat you gotta say

Don't sleep til the music stops
& let's live like there's no tomorrow
Stop making things so complicated
Your gonna take the easy way out

I'm gonna keep my head up & make believe
Make believe that I'm the only
The only one underneath this sun
Hey kid you're only young once so do what you love

[Chorus]

Say anything cuz I'm gonna forget
You're way of thinking always putting me down
But I'm always wrong these days
I'm gonna run run run
Don't wanna hear wat you gotta say

When push comes to shove
Don't leave your heart at the door
Your heart at the door
When push comes to shove
Don't leave your heart at the door
Your heart at the door

[Chorus]

Say anything cuz I'm gonna forget
You're way of thinking always putting me down
But I'm always wrong these days

I'm gonna run run run
Don't wanna hear wat you gotta say

Whoa-whoa-whoa-o-oah
