Intro:Buff

Here we go!Hit it!Ah,yeah!This one is goin' out to all
the pretty

females out there!You know who you are!Here we
go,now!Ok,we gonna

bust a move somethin' like this:

Verse One:Buff Love

She was in my mind,lookin' just so fine

Rainy,Rainy won't you give me a sign

Cherry-collored flower,my love has the power

To keep your body movin' hour after hour

Last night was a problem,baby

You didn't say no,you didn't say maybe

I don't know who's to balme,who's wrong?

Why you had to turn me on?

Chorus:

Rainy,Rainy go away

You gotta come back some other day

Rainy,Rainy go away

When you come back I wanna play

Those silly love games

Verse Two:Buff Love

Easy come,easy go

Your partner in crime told me so

You're not that deep a little strong

Once you try me,you'll never go wrong

I need you tonight,baby

What's goin' on

Whatever,it's got to be real this time

Yo,baby,there it is!

Repeat Chorus

Verse Three:Buff Love

Yo,baby,you look good to me,know what I'm sayin?

Why don't you just come to my crib?

Something like that,stop all the frontin'

I need you tonight,baby

What's goin' on

Whatever,it's got to be real this time

Time is so precious,wanna spend it with you

Whatever,it's got to be real this time

Repeat Chorus

Outro:Buff Love

Ooh,all night

Let's get it right

One more time,Rainy,Rainy,Rainy!

Yeah!

Repeat Chorus
