2, 2, 3, 4!

Considering the Options,
Don't mention me at all,
I just wanna see this one thing,
That we'll say, it's beautiful,
But your never meant to see.

I feel so fine, for someone who never had a soul,
Remind's me of joy's screams,
And some man said, never be so facist,
I'll never let go.

(We're going down)
Something inside of me!
(And were going down)
I would move so free!
The difference in you I swear,
Your were happy, you were...
I said, shoot my gun!

[Chorus]
And get down,
I got down,
Oh there's a gun to my head,
A gun to my head
Hurry up,
So hurry up,
I jumped down,
Cos there's a gun to my head,
A gun to my head.

We found what we were, looking for...
I sent you... from me,
But some man said, never be so facist,
I'de never let go.

(We're going down)
Something inside of me!
(And were going down)
I would move so free!

The difference in you I swear,
Your were happy, you were...
I said, shoot my gun!

[Chorus]
And get down,
I got down,
Oh there's a gun to my head,
A gun to my head
So run now,
I jump down,
Cos there's a gun to my head,

My head!

Never fuck off!
