Now this one have to be a special request to all of the
people dem out deh

So

Who wan party when the weekend come and keep dem
head together

Because you know seh the straight job business a bare
STRESS

But one question linger... How the party done so early?

This is the reason why the Bashment thing it NEVER
work! Cause dem Call Red

Alert!

Over the airwaves, we're doing alright

That's your favorite song, right? Gyal work your body
all night (work your

Body now)

All through the place you see the ladies winding. Going
be off the meter,

Let's go

Meet me 'round there, From nine o'clock they got a line
around the block

I would think the powers that be would be grateful,

People partying

Weren't no incidents there last week, Just pure
dancing, Me chatting

Gyal! You've got the perfect combination of beauty and
brains, that it

Takes

To become a superstar in my world... Just then I heard

CHORUS

RED ALERT

Dem wan come lock down the party

And under bare false pretense

Dem just a charge I fi murder

But kill a soundbwoy defense

LORD, Zulu AGAIN! Bad man 'til the end

Talking revenge, but you see me na consider no
consequence

Because my microphone is lethal, Mete out justice

equal
We call the warning that you get before the
murderation commence
Try keep it legal,

Because... You know the deal
All this and that with dem damn gunshot never make
them pause (Me tell you
For real)
Dem bwoy dem a FOOL, Dem a idiot, Dem wan fight like
DOGS
No one's learning, That's a trend now, me say most
disturbing
DJ "Run The Riddim" fi ease dem burden, Some of
them prefer the...

RED ALERT
CHORUS

True words, Some people a gwaan like JERK, But me
seh manners have to come
First
Somebody give you what you deserve? No Call Red
Alert!

But GIRLS? True your man him temper get worse, No
bother seek no counsel
From church,
No pretend the 'Box And The Kick' don't hurt... CALL
RED ALERT!

Some youth get out of order. Dem don't know just who
dem bothering.
Me slow motion with the temper.

Just because all of the Rudebwoy things whe the Bad
Man do inna the past
Never really found out by the Boys In blue, don't think
seh the Badman Zulu
Nah keep protection. Yuh MAD?

I walk with the mic thru creation, witness the berth of
the devastation
Mek dem know seh Babylon System it cyaan't work. So
Call Red Alert

Anyway... GYAL, You just might be the best thing to
happen to me all night
We'll burn down the candles, More that most can
handle... Hope we don't have
No

RED ALERT
CHORUS
