I guess there's a lot to be said about taking destiny into
your own hands

Ladies, you're writing in and you're asking for the
preferential treatment.

You want to know why dem call me ZULU

Well before you even begin to experience the touch,

There are so many more things

you need to understand. Don't worry.. I'll be specific

Sexy girls, Panamanian girls, Jamaican girls, African

girls, Hispanic girls, Australian girls

Indian girls, Asian girls, Europe girls, Feel this guurrll

Let me show you how the music change when the lights
go down and the freaks emerge

Let me tell why they call my name Bad Man Ladykillah
the seduction words

Let me show you how to move with the kick drum
school inna session, rules to the game

Bad Man fi the woman now we chase that
dissatisfaction away

Well if your party's started and all of the guest dem
don't seem to come alive

Find all the audio recordings of ZULU to get a rise.

Nobody talking no complaints at all, dem know me
qualified

So get your sorry self out 'pon the floor. Let me show
you what I got in store

CHORUS

That sexiness you got, you're working it so well

One thing for certain if you kiss then I won't tell

And if I get with you I'll work it through the night

Caress your body 'til the morning light.

-Gimme some of that

No time for the second thoughts. Try put it to the test,
I'll open your greatest fantasy

Baby doll it's just you and me, but now that it's open
you need someone who a go give you the
true fulfillment not dreams, fantasy to become a

reality.
CHORUS

That sexiness you got, you're working it so well
One thing for certain if you kiss then I won't tell
And if I get with you I'll work it through the night
Caress your body 'til the morning light.
-Gimme some of that

Pay attention, Class is in session

Pretty girls
Don't talk about their looks and you'll get them on the
hook
Gangsta girls
If you ever want a chance never mek her wear the
pants
Expensive girls
Want to shop inna the mall, put a price 'pon it all
Freaky girls
Want you tear up the sheets and break down the walls

My Darling told me this story, only so next time she's
there with me
I woulda recognize the face that she's wearing and
respond accordingly
But watch the lesson how you teach The Wolf to hunt
dressed up so, like a sheep
You coulda learn more game from the next gal than
any pimp coulda ever teach

CHORUS

That sexiness you got, you're working it so well
One thing for certain if you kiss then I won't tell
And if I get with you I'll work it through the night
Caress your body 'til the morning light.
Gimme some of that

Next time you think twice but still, Me a de Bad Man
ZULU fi de gal dem
How strange, No matter how the situation unfolds me
don't change
But now that I'm addicted I need someone who a go
give me the true fulfilment
Not dreams, Fantasy to become a reality

CHORUS
