Keep it rolling now, Keep it going now
Keep it rolling, Crowd Control

Picture roll along, and paint impressions 'pon the
canvas of your open mind
Fly your broken wing. Sit back, I'll tell you how I reach
the people every time
With acid rhetoric, untalented critics dem try fi criticize
my flow

Put Zulu in the mix, Me kill dem with lyrics. It's definitely
Crowd Control

CHORUS

Whe me seh Rudebwoy?
Mad Crowd
Trode The Road
Rope In?
Submachine

Underestimate, Selassie know that I'm the one who
keep the party live
Music circulate throughout the system, even reach dem
inna countryside
Now on the darkest night, we bless them with the light,
the music reach your heart and soul
But notice every time, Dem test the borderline, Me
murda dem it's crowd control

CHORUS

I want you feel it now.
Angels and demons with weak apologies, enjoy the
fruits of their rogue technologies

Meanwhile the victims of all their policies jack up the
sound it's the music masterpiece

Inna The Dance
Wave your hands

Roadblock?
Fight Back

CHORUS

Angels and demons with wicked policies; No one is
right, it's a pure hypocrisy
Around the world with the vibes and energy
Jack up the sound it's the music masterpiece
