Enough of the niceness, you see some youth who wan
try disrespect the bad man sound?
Well hear me now, people. No bother call fi no
ambulance, Send fi de undertaker

CHORUS

If you think seh that you wan test me space
Burn down the place
Set the whole thing afire
(fire, fire)

If you think seh that a joke me a mek
One big mistake
Set the whole place afire
(fire, fire)

Zulu the badman sound man arsonist, left out the
nonsense you can't deal wit this
weapon mi brandish, microphone murder de bad man
commit.

And if you think seh I mon just chat, me send whole
heap a fire pon de front of your doorstep
You perish inna backdraft, Send flowers to your
momma just remember, it's the bad man said that
Me tell dem from way back, gwaan

CHORUS

Long time Zulu sing the tune offa the stereo, hear tune
run, dem want me kill dem everywhere me go
Rudeboy business, gangsta with the way the man a
Whitelabel Menace this, witness the genesis
Who make the people dem wonder? Who kill dem inna
dance with the rain and the lightning and thunder?
Zulu man a keep dem under... impression that dem
whole world shake up, can't work the number

CHORUS

Zulu the badman sound man arsonist, enemies a feel
it. Now dem asking all of the question how dem a deal
with

Microphone murder the bad man a commit. And if you think seh I-mon just chat, me send the fire blowtorch the side of your whole block... no matter way you gun talk

Make it look like accident, remember it's the bad man said that, me tell dem from way back.. lord

Long time you know but yet and still me never tell you this.

Zulu man a chat for all the people and dem benefit, Some youth want talk about murder a whe them all commit

Nonsense we call it.. The people whe a go do just show this, No bother run you mouth nor put no fool pon notice

Mouth talk will end up as the example, soon fi get peace a whe de bad man grant you, More than you can handle... gwaan

CHORUS

Bad man ZULU lyrical arsonist, another soundboy killing, ZUIU me cant resist, mek we get things started Slaughter competition... No matter whe dem call it And if you think seh I-mon just chat, test me borderline me murda dem

with one track, dem youth dem all a bow cat.

Make it look like accident, remember it's the bad man said that, me tell dem from way back.. gwaan

CHORUS

Anyone dare test the borderline soon find out who a de real danger. Whitelabel menace, the digital screw, you understand. This is the Badman Zulu deh pon de track. And you know seh me nah dress back.

So don't talk again, because you know seh a pure murderation when me a ride riddim
Badman Zulu, Larger Than Life
