### CHORUS

Informer deh inna the police station  
Informer deh inna the police station  
Informer deh inna the police station  
What the hell Babylon dem want?

We got we hustle and we run that  
We mek we money, we no turn back  
We're hiding out from authorities  
There was no way they could ever found me  
Who dropped them silver pieces on the ground?  
If your name is Judas, no stand behind me

### CHORUS

Me pay a visit to me doctor  
Nuff psychia-trickism she warned me 'bout disaster  
She said, right now me well respecK you  
But me know your business is questionable.HEY!  
Zuluman and me run my hustle  
Zuluman and me no hurt no people  
Zuluman and me no deal with evil

I'm all about the cash, I get the money fast  
And I don't come fi talk illegals  
Just attend to my business

That's good to know  
Hustle under the radar your money's sure to grow  
One thing I affi tell you before you have to go  
Keep your enemies near and then keep your friend  
dem close  
Don't say me never tell you so
