ZULU and I will tell you. How fi deal with the jealousy
Don't bother stress at all, cause I DONE give you the
recipe
Aphrodisiac poison pill inna your system for real

CHORUS

Just take your Poison Pill
One taste you might get killed

POISON...

Undercover heathenistic freak all the while, Caught up
in the game every time
'cause me trust the big butt and the smile

Tell me what you want, Kill me with the raw sex appeal
you haffi flaunt
All of my inner demons take over whenever you deh
'bout, you are the reason
why me get haunted, girl

But lately you love to hate me, just because of my time
inna the limelight
When me back deh a yard with the bank card she don't
care and the situation alright
Ain't no hate thing, I hear the same thing from the rest
of the youth inna the business
How the love interest make you choose, Everything you
coulda lose

SO DONT BEG FORGIVENESS

CHORUS

Just take your Poison Pill
One taste you might get killed

Beautiful, But you a kill it with the venomous words.
Bad Man me give the gal dem something over the
riddim and it's never been heard
Lip service and them all fi catch the feelings then them
want to give the excuse
Don't matter what the gal say you don't believe it. Some
gal take man for fool

REASON...

Tell you 'bout the price of the fame a man fi get,

Breddren all the while, make it rain
Inna de club and the gal fi get it wet.

Well, This is what a gwaan. Suffer from, the damn
COMPETITION all along
All of your jealousy did take over whenever me deh
bout, A the reason
why me get scarce now

Cause lately you try to hate me, just because me step
out of the Boulevard
I do believe that you must be crazy, try to outspend
everyone and now your times hard
With the hate thing I hear the same thing from the
dread 'pon the track at the control
Jealousy just a RUN from the ones who a try win the
race, but can't hold a candle

SO
Just take your Poison Pill
One taste you might get killed

Done with the hatred... PLUS they keep it coming from
the wrong direction
It could be my favorite girlfriend, Outta hand, but at
least she wants to keep the love connection
But if a Evilous Breddren...? LORD KNOWS seh that a
different truth
When MAN dem ever gwaan like the GAL dem, Dress
back and me no give dem excuse
