Slick inna silk and have a way with the ladies

Put up on the hustle me say back in the 80s

Josie want another way to feed them babies

Bet you turn her out, no ifs, no buts, nor maybes  
Heartbreak women in a whole heap of places

Been around the world and seen a share of the faces

X amount of money for the gals' good graces

Loving on a contract basis

CHORUS

Well you've got it made, now you're in a situation to  
get paid

Learning all the tricks of the trade

They tell you "Nice and slow, Take it nice and slow,  
Give us a striptease, baby"

Just listen star, if you stay ahead of the game you'll  
go far

People dem don't know who you are

They tell you "Nice and slow, Take it nice and slow,  
Give us a striptease, baby"  
Yea old woman money good & plenty

50 years old and looking for man in his 20's

1000 dollars for the night? Don't tempt me

Now my clientele them ever come, me no humble

When me get the money, keep the cash in a bundle

Woman on the stage and the man they just line up

True me hypocrite if me give the good time up

Heartbreak women in a whole heap of places

Been around the world and seen a share of the faces

X amount of money for the gals' good graces

Loving on a contract basis

Keep licking your lips and moving your hips, mami

Benjamins in the air, now here's your tip, mami

Take it off, take it off, I see you feel me, mami

This song is sexy, and you can't deny it, mami

So where's that thong that you're wearing tonight,  
mami

I got you dripping sweat, I see you're hot, mami

Cool let's do the damn thing, no time to stop, mami

And when we're finished, got the tab at the bar, mami

Now let's sip the bubbly of the stars, mami

I got your G-Spot locked behind bars, mami

Now where's my striptease? Take it off, mami
