This is not a drill... Attention everyone, the musical
revolution broadcasts
On all frequencies. You're tuned to the vibes right now
of the Bad man
ZULU.

Wake up the whole fam. Shake up the program. In time
they will understand.

Troubled Youth... Pants is hangin' low, contempt you
want fi show
For the people who messed up the world in front of you.
And their age is like a curse, and things are getting
worse, so let me be
The first to tell you

Forget the generation distance, That's the difference
of our existence
(Alright)
I come to get your assistance, Put up resistance to fight
this system (say
What?)

Man, ain't nobody listenin' to this bullshit you're talking,
you call
Wisdom (you know)
Times are different, it's about the cash you gonna give
dem (come now)

I got my mind on my money so you know
You got your revolution there but nothing else to show
Mi money gets so long I left my troubles far behind
If it's not about the dollars it's a waste of time

CHORUS

(Run It)

... and from the back of the room I heard the voices on
the speaker call:

(Screaming)

"LIGHT THE FIRES!" (Go Ahead) "STUDENT RIOT!"

... now I'm trapped in this place with all these juvenile

criminals

"LIGHT THE FIRES!" (Go Ahead) "STUDENT RIOT!"

OK. Call me opportunist, but we can do this thing and then we'll just blame

The students

Saying THEY ruined this thing, I knew this thing would happen.

I've got my duty to report it all, Don't just stand there get the camera!

Let's get LIVE, Let's get CLOSER. Not so close that they could damage us!

(Watch it!)

We're coming Live And Direct. These kids ain't got no respect.

What you have to say for yourself, young man?...

Pause. Station Check...

(Alright) Hopeless scenario, like the ghettos and all the barrios.

Only difference is, WE got paid. Now take them all away (HaHa)

I got my mind on my money so you know.

You had your revolution and we put it on the show

The money gets so long you'll leave your troubles all behind

If it's not about the dollars it's a waste of time

So tell me honestly, Boy don't you think that your life is about the same

Thing whe gwaan inna streets?

And the minute you claim to be riding for the good guys, you've lost out?

All around the world, from me hit the stage, all of the people dem they

Troubled Youth... never let you down. They'll always be around when you need

A fight

(CHORUS)

No worry 'bout the youth dem, keep dem back against the wall... They'll take
