want it all night long, I wan fi rock your world

Don Yute:

Me seh gal you turn me on when you winding that way, I
woulda work your body whether night or day
Because a just so the Don Boobilous stay, So bring your
body come girl without a delay,
Me tell you me love how you a gwaan and a work it,
work it. Up in a the club and a jerk, it jerk it
You mek me friend Zulu wan flirt it, flirt it. Just true the
way how you twerk it.

MC ZULU:

You know wha gwaan people, This is the bad man once
again, Ragamuffin Don Zulu, longside the one
Don Yute, and you know seh the vibes just right, and a
single touch a mek the gal dem lose control.

Woman you got expensive dress, from the floor to
ceiling. I bet a million you never forget the feeling
when me give you the mercy killing, mercy killing, baby
constant, no nonsense, when the bossmen move
them holla hold tight.

Woman calling me name, woman ringing my phone,
but me choose a certain gal fi de spotlight, you wan
catch
that bling? Well baby work that thing.

Look round check fi hot gal inna de place, from dem
know me deh, dem wan me deal with the case
No mention X amount affection, fi ease the tension,
and never no question
Nice up pretty gal me say the life of the party, When
she come a dance with the clothes and the jewelry
Full up a style and de gal well sexy, Sex appeal it
control me

You sexy Girl

I see you with your girls, If you a spend the time I
woulda blow your mind, I goin rock your world

You sexy Girl

I see you with your girls, I know the time is right, you
come with me tonight, I goin rock your world
