Savage at heart
Escape for a day you wont go back
I should have seen from the start there'd be
More heartache and pain

Im watching the wind blow
Im waiting the rain
Im watching this love grow
No more heartache or pain

Cause this is real
This is real
This is real
This is as good as it gets
This is as good as it gets

Im staying for a party
And Im staying for change
Im feeling kinda naughty
Im glad to say that nothing has changed

Im watching my love grow
Im watching the kids go mad and im
Im watching this whole thing from above

This is real
This is real
This is real
This is as good as it gets

Second time round I'll make it better
Second time round I'll make you stay
Second time round I'll make it better for you
My honeymoon child
My honeymoon child
My honeymoon child
My honeymoon child

This is real (my honeymoon child)
This is real (my honeymoon child)
This is real
This is as good as it gets

This is as good as it gets
