

The Feelers

"Astronaut"

Visit "[Astronaut](#)" on MotoLyrics.com

I feel it closing out
The tunnels getting smaller and I'm blacking out
I'm spinning in a capsule world high out in space
I can see you down there
You're as small as hell if it exists
But I don't care
I'm just floating out here

I'm coming in
I'm burning up
I'm feeling fine I can't get enough
I'm flaking out
I'm never giving in
My head is spinning
My head is spinning

Sammy's coming down
He's filling himself in again
He's getting high out in space
He thinks he's free again
I've been waiting such a long time for this
Where are we and what is this place

I'm coming in
I'm burning up
I'm feeling fine I can't get enough
I'm flaking out
I'm never giving in
My head is spinning
My head is spinning

Roses fall so I can't catch the dust
I squeeze the sand from your hands to match my cuts
Faking breathe easy, lure me in
Man I got to get out
I got to get out
I can't take this scene anymore

I'm coming in
I'm burning up
I'm feeling fine
I can't get enough

I'm flaking out
I'm never giving in
My head is spinning
My head is spinning

I'm alone out here
I'm spinning over and over again
