I heard you on the wireless back in '52
I'd lie awake intent in tuning in on you
If I was young it didn't stop you coming through

Oh, oh

They took the credit for your second symphony
Rewritten by machine, a new technology
And now I understand the problems you can see

Oh, oh
I saw your children
Oh, oh
What did you tell them?

Video killed the radio star
Video killed the radio star
In my mind and in my car
Oh, uh-oh, oh, oh

So now we sit in an abandoned studio
I hear the playback and it seems so long ago
Do you remember the jingles used to go

Oh, oh
You were the first one
Oh, oh
You'll be the last one

Video killed the radio star
Video killed the radio star
In my mind and in my car
We can't rewind we've gone to far
Oh, uh-uh, oh, oh
Oh, uh-uh, oh, oh

Video killed the radio star
Video killed the radio star
In my mind and in my car
We can't rewind we've gone to far
Pictures came and broke your heart

We put the blame on VCR

Oh, ahhh radio star

Oh, ahhh radio star

Video killed the radio star
