Bonjour! Je t'adore. C'est aujourd'hui et toujours, my amor. How about me?
And it's un, deux, trois, quatre give me some more of that.
Cinq six sept huit, I think that you're really sweet
Je t'adore, je t'adore, je t'adore
S'il vous plait je voudrais oublier
Qu'est-ce que c'est what'd you say about me?
And it's un, deux, trois, quatre give me some more of that.
Cinq six sept huit, I think that you're really sweet
Je t'adore, je t'adore, je t'adore
Un, deux, trois, quatre, cinq, six, sept, huit
Un, deux, trois, quatre, cinq, six, sept, huit
Ecouter repeter je t'adore
Ecouter repeter je t'adore
And it's un, deux, trois, quatre give me some more of that.
Cinq six sept huit, I think that you're really sweet
Je t'adore, je t'adore, je t'adore
And it's cinq six sept huit I think that you're really sweet
One two three four, Je t'adore Je t'adore
I won't be ignored
