Well she was out there shake shake shakin with the
beat
my back was stuck against the wall
the floor was nailed to the bottom of my feet
and he was push push pushing like he was selling
speed
he's got his hands upon her hips
i'm making faces like you wouldn't believe
next thing it's strange hands
moving down your back
gives me a heart attack
it's gettin heavy heavy heavy
aw man
i wanna take it back
but i know that i can't
it's gettin heavy heavy heavy

so i slide down the bar to give myself a better view
when someone pushed me in the back
and said hey listen boy i'm talking to you
and so i turned around and he said you know what i
want you to do
and then he took me by the collar
through the crowd and it started to move
next thing it's strange hands
moving down my back
gives me a heart attack
it's gettin heavy heavy heavy
aw man
i wanna make it stop
but i know that it's not
it's getting heavy heavy

babababa's

next thing it's strange hands
moving down your back
gives me a heart attack
it's gettin heavy heavy heavy
aw man
i wanna take it back
but i know that i can't

it's gettin heavy heavy heavy

aw man

up and down your back

gives me a heart attack

it's gettin heavy heavy heavy

aw man

i wanna make it stop

but i know that it's not

it's gettin heavy heavy heavy
