When I saw her, I saw love for the first time
I talked to her, I heard love for the first time
When I touched her, I felt love for the first time
Love is something special to have
17 years old nothing to lose,
17 years old everything to learn
17 years old, everything to lose
17 years old nothing to learn
Yes, I loved her and I still do,
but Roselyn stole a year of my life
A relationship is give and take,
but I couldn't give enough, still I loved every day of it
A year of my life away from the friends that I love
They loved me enough to never forget me
I love her and she taught me a lot,
but that bitch won't get out of my life...
