Here's your lesson for today, you better listen up real
fucking good
My cloud always has a silver lining, and I love
everything that I see
My world is wonderful and no one could ever hurt me
You hate yourself, yes you do, and thats why right now
I hate you
You hate yourself, yes you do, and that's why right now
I can't stand you
Have you learned your life's lesson yet?
No, well let me tell you something
I am your teacher you have a lot to learn from me-you
must love yourself
You are my teacher you teach me about my life
There's a lot I can learn from you
And that's why right now I love you...
