never tell the truth, so full of lies words so hollow,  
depth so shallow you lie to us from the 40th floor  
don't even know us we're desperate and sore you jack  
the rent can't save a cent money we've earned we  
already  
spent sorry to say, we're gonna blow you away careful  
starting your car today so greedy,  
so pathetic, you're a liar a slumlord,  
a thief, you're house is on fire we see you through  
your office walls and fancy chairs gonna watch you  
crumble you better beware
