Welcome aboard, non-believers, sinners and heathens  
Step right this way: Captain Dante at your service  
Please hold on rapids ahead

The devil will drag you under  
With the fancy tie around your wicked throat  
The devil will drag you under  
With a soul so heave, you'll never float

First the dozen  
Then there were thousands, now they are smiling  
Of Arrogant Christians  
But those whose faith is lost then  
They'll go straight to hell  
And those who double cross him  
All go straight to hell  
You'll go straight to hell  
Mr. Gandhi, nut not Hitler, sorry Buddha, sorry  
Mohammed, but not Reagan

Now they're wealthy  
And in control  
Got you by your balls  
By your soul  
Lookout
