Pardon me President Reagan,
But who are the terrorist now?
This isn't a movie we're making,
Who are the terrorist now?

Contra-contrived, Grumman thrives
Death Skull tanks now mobilized

Why not send them food supplies?
Swords into plowshares

guns, planes, napalm flames,
Stenciled proudly our nation's name
so the dying can read who's to blame

[Chorus]

Exporting our excess of overkill
Whose deadly tools show our goodwill
Other nations acquiesce
At Sidra we bang our chest

All you who voted for Reagan
Who are the terrorist now?
This isn't a movie we're making
Who are the terrorist now?

Why earn a madman's wrath
Until neither side has the last laugh?

And the fuck with the Nuclear Test Ban
Who are the peace keepers now?

And somehow we're blaming the Russians
Asking, who are the terrorist now?
No profits in weapons reductions
So who are the terrorist now?
And those who voted for Reagan
Who are the terrorist now?
Efforts of piece all forsaken cause we are the best
Fuck all the rest
Yes we are the chest pounding

Terrorist now!
