It's in my right more than my left
After you've taken from me
My freedom of speech
Or the light through my window
Just because you can't see
Should be heard by the deaf
Seen by the blind
Those who are too frightened to lose, so
This is a letter
A letter to both sides
You're stuck in the middle
(It's) a middle with no left or right
What do you feel, how would you say
To the men that sit at the top
That you don't give a damn
But you still need your land, so
This is a letter
A letter to both sides
You're stuck in the middle
(It's) a middle with no left or right
Some don't have time to see
Man and his wrongs
Others just expect to lose
If you don't have the need
To take hold of yourself
How can you expect to choose, so
This is a letter
A letter to both sides
You're stuck in the middle
(It's) a middle with no left or right
