Monkeys, they won't jump through your hoops no more  
Nobody will listen 'cause your word ain't the law  
Everybody takes it but nobody cares  
What you gonna do when your money's not there?

Give it up  
I've got to give it up  
Give it up, I've got to give it up  
Give it up, I've got to give it up  
But I'll tell you what I want to do  
I'll tell you what I want to do

Accidents will happen, somebody said  
Workin' at a mess just to pay for your rent  
Try a little harder head it in first  
Cut another angle just to take out a verse

Give it up  
I've got to give it up  
Give it up, I've got to give it up  
Give it up, I've got to give it up  
But I'll tell you what I want to do  
I'll tell you what I want to do

Give it up, I've got to give it up  
Give it up, I've got to give it up  
Give it up, I've got to give it up but I'll tell  
You what I want to do  
I'll tell you what I want to do
