"Shut It Out"

It could happen to you
It could happen to me or anyone
Treading the mill, coming-of-age, and it falls undone.
Here you stand, are you lost for sure?
It could happen to you
It could happen to me or anyone.
CHORUS:
It's all about class, have you got a ticket?
It's all about worth, should we really buy it?
It's about time we shut it all out.
It's about time we shut it all out.
When it happens to you
It will happen to me and everyone.
Part of the chain, we're holding hands
And I'm holding on.
Dare we pick the last fruit from the tree?
If it belongs to you it belongs to me and everyone.
CHORUS
