Turn it up
I'm looking for the one
I said I'm looking for the music
But the music doesn't come
I said now
Turn it up
I'm looking for the one
I said I'm looking for the music
But the music doesn't come

I've done a bad thing
Well I thought I could add it
And now I need to give it up
I tell you one thing
Well I got on a rant
With all the things I think I want

I said now
Turn it up
I'm looking for the one
I said I'm looking for the music
But the music doesn't come
I said now
Turn it up
I'm looking for the one
I said I'm looking for the music
But the music doesn't come

And in the madness
I feel like I got the time
Take it to the top ah well it's magic
Well I got on a rant
With all the things I think I want

I said now
Turn it up
I'm looking for the one
I said I'm looking for the music
But the music doesn't come
I said now
Turn it up
I'm looking for the one

I said I'm looking for the music
But the music doesn't come

I said
I don't really wanna pledge my soul
I don't wanna go it all alone
I don't wanna keep, we're goin' home

Turn it up
I'm looking for the one
I said I'm looking for the music
But the music doesn't come
I said now
Turn it up
I'm looking for the one
I said I'm looking for the music
But the music doesn't come
I said now
Turn it up
I'm looking for the one
I said I'm looking for the music
But the music doesn't come
I said now
Turn it up
I'm looking for the one
I said I'm looking for the music
But the music doesn't come
I said now
Turn it up
