[Spoken Intro:]

Goddamn your soul to the fires of hell.
He already has.

All rise

Satan, you have been charged with the following
crimes against humanity:
Distrust among friends,
Corruption of innocence,
Destruction of morality,
Perversion of integrity,
Hatred in society,
How do you plead?

I, I plead not guilty, not guilty
I, Take no part, it's your greed, human greed

Why is it, that you're after me?
Is it because that you yourself can't see
All of the pain that you put your friends through
Far more offensive than anything I would do
I've been on vacation, since day one
I let you guys go out and all have all the fun
I like mischief every now and then
But you're the ones responsible for how it's been

I wish I could take credit for this mess you're in

All rise

Jury, how do you find the defendant on the following
charges?
Distrust among friends,
Corruption of innocence,
Destruction of morality,
Perversion of integrity,
Hatred in society,
And the verdict will be?

Guilty as Charged [x4]
Sentenced to hang

The devil is dead [x7]

Evil is dead

[Spoken Outro:]

Oh Yea

Praise Jesus

Amen Brotha

I wish there was some girls in here.
