Everybody young and old
Learn how to rock and roll
Listen, here's something new
Everybody sure can do
(Come on...)

[CHORUS]
Foot stompin' (10 times)
A good time

No wonderin' and a-guessin'
Don't need dancing lessons
Listen to the jerky beat
Shake your head and stomp your feet
(Come on...)

[Repeat CHORUS]

Even just the other day
Taught it to my sister Mae
Peg-leg Mr. Blue
Can do the foot stompin', too
(Come on...)

[Repeat CHORUS]

Instrumental

Meet me at the dance hall
We're gonna have a ball
Sure cure for a corn
'Fore long, real gone

[Repeat CHORUS]
