Float flushed, flowing like a river
Try to suffer this calamity
Drift swim, hover and decide
You requested my humanity

It's a complex state
Another dimension
Blind like a saint
To the other side

Couldn't be awoken
To a hurricane
Crush away
Feels like I could flat line

Devil fluorescence? is all I remember
Succumb, I surrender to this
Here to eternity, not a reality
Only the cost of insanity
Bombastic vibe

I thrive on this disease
Liquify sub-zero freeze

Initiate to terminate
It's you that moves the hydro-electric
Guide me down
You dominate me

Invite the noose
And violate
Intoxicate hydro-electric
You, you, you dominate me

It's the ebb and flow
The total connection
A trickle of rain
Shrouding the dirt

Coring me
Waken to a hurricane
Watery grave

Cry Adriatic shelter

Broke reflection on the service of never
Repent here forever and back
Total viscosity into fluidity
Only impulsive meditate
Bombastic vibe

I thrive on this disease
Liquify sub-zero freeze

Initiate to terminate
It's you that moves the hydro-electric
Guide me down
You dominate me
Hydro-electric

Invite the noose
And violate
Intoxicate hydro-electric
You, you, you dominate me
Hydro-electric

Dominate me
Dominate me

I thrive on this disease
Liquify sub-zero freeze

Initiate to terminate
It's you that moves the hydro-electric
Guide me down
You dominate me
Hydro-electric

Invite the noose
And violate
Intoxicate hydro-electric
You, you, you dominate me

Hydro-electric
Dominate me
It's you that moves the hydro-electric
Hydro-electric
You dominate me
Dominate me

Hydro-electric
Dominate me
It's you that moves the hydro-electric
Hydro-electric

Dominate me
Dominate me
