Float flushed
Flowing like a river
Try to suffer this calamity

Drift swim
Hover and decide
You requested my humanity

It's a complex state
Another dimension

Blind like a saint
To the other side

Couldn't be awoken
To a hurricane

Crush away
Feels like i could flat line

Devil fluorescence's is
All i remember

Succumb,
I surrender to this

Here to eternity
Not a reality

Only the cost of insanity
Bombastic vibe

I thrive on this disease
Liquify sub-zero freeze

Initiate to terminate
It's you that moves the hydroelectric
Guide me down
You dominate me
Hydroelectric
Invite the noose

And violate
Intoxicate
Hydroelectric
You dominate me

It's the ebb and flow
The total connection

A trickle of rain
Shrouding the dirt

Calling me
Waken to a hurricane

Watery grave
Cry adriatic shelter

Broke reflection on the service of never
Repent here forever and back

Total viscosity into fluidity
Only impulsive meditate

Bombastic vibe

I thrive on this disease
Liquify sub-zero freeze

Initiate to terminate
It's you that moves the hydroelectric
Guide me down
You dominate me
Hydroelectric
Invite the noose
And violate
Intoxicate
Hydroelectric
You you you dominate me
Hydroelectric
Dominate me
Dominate me

I thrive on this disease
Liquify sub-zero freeze

Initiate to terminate
It's you that moves the hydroelectric
Guide me down
You dominate me
Hydroelectric
Invite the noose

And violate
Intoxicate
Hydroelectric
You you you dominate me
Hydroelectric
Dominate me
It's you that moves the hydroelectric
Hydroelectric
You dominate me
Dominate me
Hydroelectric
Dominate me
It's you that moves the hydroelectric
Hydroelectric
Dominate me
Dominate me
