The best things in life are free  
But you can give them to the birds and bees  
I want money

(That's what I want)  
That's what I want  
(That's what I want)  
That's what I want  
(That's what I want)  
That's what I want  
(That's what I want)

You love gives me such a thrill  
But your love won't pay my bills  
I want money

(That's what I want)  
That's what I want  
(That's what I want)  
That's what I want  
(That's what I want)  
That's what I want  
(That's what I want)

Money don't get everything it's true  
But what it don't get I can't use  
I want money

(That's what I want)  
That's what I want  
(That's what I want)  
That's what I want  
(That's what I want)  
That's what I want  
(That's what I want)

I want money  
I want lots of money  
In fact I want so much money  
Give me your money  
Just give me money
