(CHORUS)

Bebop, I love you, baby
Bebop, I don't mean maybe
Bebop, I love you, baby
I'm sticking with you
I'm sticking with you

The years may come and go
I will love you so
No matter where we go
I'm sticking with you
I'm sticking with you

New loves may come your way
But my love's here to stay
Listen while I say

(CHORUS)

New loves may come your way
But my love's here to stay
Listen while I say

(CHORUS)

I'm sticking with you
I'm stuck with you, baby
