Jealous Heart, oh, jealous heart stop beating  
Can't you see the damage you have done  
You have driven him away forever  
Jealous Heart, now I'm the lonely one.  
I was part of ev'rything he planned for  
And I know he loved me at the start  
Now he hates the sight of all I stand for  
All because of you, old jealous heart.  
Jealous heart, why did I let you lead me  
When I knew the end would bring me pain  
Now he's gone, he's gone and found another  
Oh, I'll never see my love again.  
Through the years his memory will haunt me  
Even though we're many miles apart  
It's so hard to know he'll never want me  
'Cause he heard your beating jealous heart.  
Many times I trusted you to guide me  
But your guiding only brought me tears  
Why oh why must I have you inside me  
Jealous heart, for all my lonely years
